Setting Goals

If this experience is for academic credit, then you should discuss the following topics with your instructor prior to beginning this experience.

Accuracy and clarity will ensure that your expectations are met by your supervisor, your instructor, and you. Additional pages may be added if needed.

1. What do you want to experience or learn during this internship?

2. What type of work-related projects will the intern be assigned to gain the experience?

3. Please describe how you choose to analyze and evaluate performance.

Additional Information:

We have discussed the aforementioned topics and understand our roles, expectations, and requirements during the term of this internship experience.
